ABOUT AGGREGATE MEDIA

Aggregate Media LLC is a next generation media company that discovers, creates, acquires, and manages premium intellectual property—and distributes it globally across every major entertainment platform.

We transform independent productions, documentaries, feature films, television programming, digital media, podcasts, books, and emerging formats into scalable, long-term entertainment brands.

By combining world-class content creation with intelligent IP management, we build enduring media assets designed to thrive across streaming, television, publishing, retail, social media, and emerging technologies.

WHAT WE DO

A fully integrated ecosystem that maximizes the value and reach of every story.

DISCOVER

We identify exceptional ideas, creators, and untapped content with global potential.

ACQUIRE

We secure rights to valuable intellectual property and content libraries.

DEVELOP

We produce, enhance, and package content for today's audiences and tomorrow's opportunities.

MANAGE

We curate and protect intellectual property for long-term growth and multiple exploitation.

DISTRIBUTE

We deliver content across all major platforms worldwide through strategic partnerships and technology.

MONETIZE

We maximize lifetime value through multiple revenue streams and continuous re-use.

OUR CONTENT UNIVERSE

THOUSANDS

of evergreen titles in our owned library

HUNDREDS

of top-performing releases and award-recognized brands

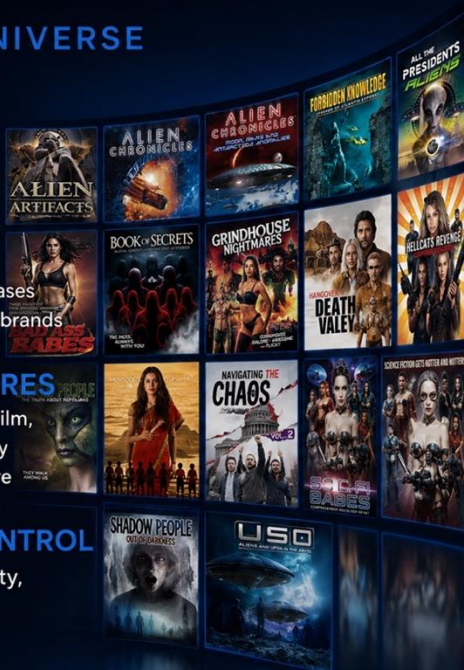

MULTIPLE GENRES

documentary, feature film, TV, education, specialty entertainment and more

COMPLETE CONTROL

of intellectual property, rights management, and global licensing

WHERE WE REACH

Our content connects with audiences through every major platform and market.

GLOBAL DISTRIBUTION. LOCAL IMPACT.

MISSION STATEMENT

Aggregate Media LLC exists to discover, create, preserve, and distribute meaningful content that entertains, inspires, and challenges audiences around the world.

We unite exceptional creators with global audiences by transforming intellectual property into enduring entertainment assets. Through innovation, strategic partnerships, and multi-platform distribution, we maximize the lifetime value of every story while empowering independent voices and preserving important works for future generations.

We believe that great content should transcend formats, technologies, and generations. By embracing emerging media, artificial intelligence, and evolving distribution models, Aggregate Media continually expands the reach, accessibility, and impact of the world's most compelling ideas.

OUR VALUES

CREATIVITY
We champion bold ideas and original storytelling.

INTEGRITY
We operate with honesty, fairness, and respect.

COLLABORATION
We build strong partnerships and shared success.

QUALITY
We pursue excellence in everything we do.

LEGACY
We preserve stories that educate, inspire, and endure.

A GLOBAL REACH

Our network spans every continent, delivering content to millions of viewers and partners worldwide.

OUR AGENDA STRATEGIC PRIORITIES

BUILD THE WORLD'S MOST VALUABLE INDEPENDENT CONTENT LIBRARY

We acquire, develop, preserve, and manage evergreen intellectual property with long-term global licensing potential.

EMPOWER INDEPENDENT CREATORS

Providing select filmmakers, producers, authors, educators, and storytellers with professional support, licensing opportunities, and worldwide exposure.

LEAD IN MULTI-PLATFORM DISTRIBUTION

Expanding strategic relationships across streaming, FAST and TV networks, social media, retail, educational markets, international broadcasters, and emerging digital platforms.

SHAPE THE FUTURE OF INDEPENDENT MEDIA

Developing high-quality documentaries, feature films, TV series, podcasts, books, educational programming, and digital-first content for today—and tomorrow.

MAXIMIZE INTELLECTUAL PROPERTY

Extending every successful property into multiple formats through publishing, licensing, merchandising, localization, translations, remastering, spin-offs, and franchise growth.

PRESERVE MEDIA HERITAGE

Digitize, restore, archive, and modernize historically significant films, television programs, educational content, and independent productions for future audiences.

LEVERAGE EMERGING TECHNOLOGIES

Utilize artificial intelligence, automation, immersive media, virtual production, localization, analytics, and advanced content management systems to improve efficiency and quality.

EXPAND GLOBAL ACCESSIBILITY

Translate and localize content into multiple languages through strategic partnerships across North America, Europe, Asia, Latin America, Africa, and beyond.

CREATE SUSTAINABLE REVENUE

Diversifying revenue through licensing, streaming, advertising, physical media, educational distribution, publishing, direct-to-consumer platforms, sponsorships, and strategic partnerships.

STRATEGIC PARTNERSHIPS. ENDLESS POSSIBILITIES.
